

YOUR FIRST TIME

Is this your first Con?

Are you ready for the most exhausting and exhilarating week of your coaster season?

Interesting fact about the Mid-Atlantic is that our regional rep did not attend a Con until she had been a member for 17 years! She says it is her biggest regret in the club.

What do we wish we had known at our first Con?

- 1) Strike up conversations and meet new people!

We know it is not ideal when you don't know many people and it probably feels like everyone knows each other already. We are a BIG club and many are just acquaintances that see each other at this event each year. Don't hesitate to join in a conversation or say hello. Seasoned members love meeting new people too!

- 2) Take a break in the middle of the day to nap or see some area attractions

You will get plenty of rides, so take some time in the middle of the day to refresh and change the scenery.

- 3) ERT is the best!

There is something special about riding with all enthusiasts!

- 4) You will have plenty to eat this week.

Are you sure we aren't American Catering Enthusiasts? We do have a love of food and the Mid-Atlantic has stocked up to ensure you never go hungry.

Perks to aid your visit from the Mid-Atlantic team
